

**InnCom**

**Cutting-Edge  
Engineered  
Rubber Parts**

# 10+ years of experience

With over 10 years of experience in custom-made rubber products and spare parts sourcing, we are the leading provider committed to excellence. We excel in cost reduction, domestic procurement, and optimizing supply chains to meet specialized needs.

Our extensive track record includes delivering over 3 million parts to clients across Mexico and the USA, for sectors such as food industry, automotive, chemical, home appliances and oil & gas among others.

## A Partner You Can Rely On

As an ISO 9001:2015 certified company, we guarantee timely delivery and exceptional quality. Our commitment to reliability ensures that your supply chain is robust and responsive. Trust us to provide superior rubber products and parts tailored for demanding industrial applications, with a dedicated team ready to address your needs swiftly and effectively.

# Our Offer

We deliver a wide range of products and services designed to meet your needs:

- **Rubber Seals and Gaskets:** tailored for optimal performance in hydraulic, pneumatic, and machinery applications.
- **Custom Rubber Products:** designed to your specifications, ensuring perfect fit and functionality for diverse applications.
- **Domestic Sourcing:** streamlined procurement of parts from local and national suppliers to reduce costs and enhance supply chain efficiency.
- **International Sourcing:** access a global network of suppliers for high-quality parts, ensuring availability and cost-effectiveness.
